## EVA Clean

Automatic Washing System

---

The integrated chemical cleaning system allows a considerable reduction of maintenance and improves the performance of the unit.

## EVA Lab

Lab Analysis

---

Inlet effluents analysis allows the client to be aware of effluent changes, if any, and to optimize the treatment results by resetting the unit, if needed.

## EVA Time

Guarantee Extension

---

An additional extension of the guarantee related to the main components of the evaporator that allows to avoid unit downtimes and to optimize evaporator performances.
